Y85

The all-new Y85 is a triumph of contemporary design. Her elegant sweeping profile houses an interior sanctuary that resets the benchmark for modern living. Her flybridge is an irresistible invitation to al fresco entertainment with a large dining area opposite a well-equipped wet bar further complemented by a large aft sunpad. With twin MAN V12 engines propelling her to a top speed of 33 knots, she flies past her contemporaries without looking back. An expansive single-level main deck provides ample entertaining space with a flexible galley arrangement. Three separate seating areas ensure the utmost privacy for guests with the crew able to move discretely around the yacht. Below deck, up to eight guests are accommodated across four beautifully appointed en suite cabins. Amidships, the full beam master suite is a champion of spacial design, whilst the en suite VIP cabin, forward, boasts a large double bed and walk-in-wardrobe. Furthermore, one double and one twin cabin (convertible into a double) complete her spacious accommodation. Unmissable, the all-new Y85 is unmistakably Princess.

La grande salle à manger du flybridge, face à un bar tout équipé avec point d'eau, est une invitation irrésistible à recevoir devant le vaste bain de soleil arrière. Propulsé par ses deux moteurs MAN V12, le Y85 file à 33 nœuds, laissant derrière lui ses contemporains. Un pont principal spacieux sur un seul niveau, avec une cuisine à configuration flexible, offre tout l'espace pour recevoir. Trois espaces salons distincts permettent à l'équipage de se déplacer discrètement à bord et assurent aux invités tranquillité et intimité. Au pont inférieur, huit personnes se répartissent sur quatre belles cabines disposant chacune de sa salle de bains particulière. Au milieu du yacht, la suite du propriétaire, sur toute la largeur, est un chef d'œuvre de conception de l'espace. Plus à l'avant, la cabine VIP avec salle de bains attenante jouit d'un grand lit double et d'une penderie-dressing. L'aménagement à l'espace confortable se complète d'une cabine double et d'une cabine à deux lits (convertibles en lit double). Emblématique, le nouveau Y85 a tout d'un Princess.
